The Book of Speculation is a mesmerizing novel that explores the intersection of myth and reality, and the power of storytelling. It follows a young woman who moves to New York City in the 1920s, where she becomes the golden couple in a lively and volatile group of writers and artists. As she navigates the city’s seedy downtown jazz clubs where the music is as addictive as the nightlife, she meets a mysterious man who introduces her to an entirely new side of herself. But as she becomes entangled in a love triangle with the man’s wife, she realizes that the man is not who he seems to be. The story becomes a haunting exploration of love, identity, and the power of storytelling, as the woman grapples with the consequences of her choices.
