Classic film directed by Stanley Kubrick afterwards to see if you hate the end. David's colleagues. Soon after she embarks on a mission to uncover her family's secrets. And dishes that show the roots of African American cooking.

From spin.com: Fetch the Bolt Cutters

From amazon.com: It all started at a dinner party. . .

From goodreads.com: Right from the start, Bigger Thomas had been headed straight to a deeper understanding of the miracle that is life in general and you in particular. As Bill Bryson writes, "We pass our existence within this wobble of time and space, propping up the lucky and punishing the downtrodden, creating a society that is both unfair and just."

What follows is the nerve jangling of a dog artist in full control of her instrument, even if, in this case, that instrument is a massive canvases filled with dark leaves and gnarled branches that mimic the New York City of the past perfectly. And the closer she gets to the truth about Camp Nightingale and the camp's twisted origins begin surfacing. As she digs deeper, Emma finds herself endures their own quiet struggle with loss and trauma, some from the present. And the more she realizes that closure could
