

# LIBRARY DATABASES

Westerly Library & Wilcox Park, and Ocean State Libraries, subscribes to a variety of databases for your educational and recreational needs. A full list of databases can be found on our [website](#).

## [Biography Reference Center](#) \*

Full text biographies of notable figures.

## [Duolingo](#)

A platform that includes a language-learning website and mobile app, as well as a digital language-proficiency assessment exam. The app and website are accessible without charge, although Duolingo also offers a premium service for a fee.

## [Explora](#) \*

A valuable resource for educators and students from primary to high school

## [Learning Express](#)

Get ahead of the game with practice tests and more. Each Learning Center offers exercises, skill-building courses, eBooks, practice tests and information you want.

## [Livemocha](#)

The world's largest online language learning community, Livemocha fuses traditional learning methods with online practice and interaction with native language speakers from around the world.

## [Literary Reference Center](#) \*

Features an expansive collection of plot summaries, literary criticism, author biographies, and content from prominent literary journals.

## [Mango Languages](#) \*

Self-paced courses in over 70 different languages.

# LIBRARY DATABASES

Westerly Library & Wilcox Park, and Ocean State Libraries, subscribes to a variety of databases for your educational and recreational needs. A full list of databases can be found on our [website](#).

## [Middle Search Plus](#) \*

Contains full text for a variety of popular middle school magazines. Each article is assigned a Lexile level. Choose Middle Search Plus from the AskRI buttons.

## [NoveList Plus](#) \*

A comprehensive source of information about books and audiobooks that includes expert recommendations, reviews, articles, lists, book discussion guides, and more.

## [Points of View](#) \*

Doing research on hot topics? Look here for information that addresses topics from various viewpoints. Choose Points of View from the askri buttons.

## [Teacher Resources](#) \*

A teacher's companion to the various Explora databases, searching across content such as ERIC and Academic Search Premier. It highlights lesson plans, curriculum standards, and other professional development resources.

## [World Book](#) \*

The classic encyclopedia, online. Choose "Reference Center" to access the high school level encyclopedia. Choose "For Kids" to access elementary school resources.
